It really works!

We've built a partnership with the City of Chula Vista on becoming "green." It is incredible how much they have saved us on our utility bills! Seeing all that savings going to our bottom line is awesome.

— Red Lobster, Chula Vista

We were happy to try anything to save energy. The evaluation really helped cut our costs! We are also pleased with the brighter lights and the great selection of bulbs.

— El Torito, Chula Vista

This program is funded by California rate payers under the auspices of the California Public Utilities Commission.
